

## **Choir Boosters**

Established in 2014, the **PSHS Choir Boosters** provides money to fund a "wish" list of educational equipment and supplies used by the **PSHS Choral department**. The items our organization provides supplement the purchases made through the South Choral budget. We also support our choir director in anyway so she can concentrate on teaching and mentoring our children. During past years we have been able to help in providing invaluable material and funds for a variety of special projects. As well, we hope to continue offering a scholarship for a senior toward their college tuition. In 2018 we were able to award 2 each at \$500.00 per student.

The support of parent volunteers and local merchants allows us to sponsor fun, social, fund-raising activities that foster a sense of pride and involvement in our school.

With your **PSHS Choir Booster** membership you will enjoy benefits of pre-sale tickets for the Madrigal Dinner, Collage (Holiday ensemble with band), and the Spring Musical.

As a member your vote counts; you are able to vote on important items within the organization.

Please come and join us the 1st Wednesday of every month at 7:30PM in the Choir room!
